THE ATRIUM

Located on the second floor of the Pavilion, this space is a flexible gathering space, with the feel of a banquet hall and the look of grand excellence. With seating for dinner for 350 guests and floor-to-ceiling views of downtown Milwaukee, the Atrium is the perfect space for a wedding celebration.

THE GRAND LOBBY

A breathtaking three-story lobby with marbled piers under the silver-leafed plaster of the geometrically molded ceiling, the towering etched mirrors and two giant chandeliers, all reflecting the high Art Deco style of the 1920's. This area, including its terrazzo floor and Juliet balcony, has been preserved to hold the space's unique historic design and will continue to serve as a nod to the past and the theater's distinctive time stamp in history.

THE GALLERY

This inviting and large 6,430 square foot lobby and pre-function space, off 2nd Street and Wisconsin Avenue will carry an all new design, certain to entice and welcome your guests. The Gallery will include a coat check and a built-in bar.
